

ViewSonic®

VE700 LCD Display

The VE700 is a great all-around 17" LCD.

The ViewSonic 17.0" VE700 LCD display is a great large-screen value with many cost-effective features. This slim, compact LCD display saves you up to 75% more desk space compared to a typical same-size CRT. Its stylish design features an innovative base that conveniently folds up 90° for wall mounting, making conversion between desktop and wall mount applications easy. A high 450:1 contrast ratio (typ), 260-nit brightness (typ) and wide viewing angles offer great screen performance. You'll also benefit from the AutoTune™ function, which automatically optimizes your screen images. For the ultimate 17" LCD price/performance solution, choose the ViewSonic VE700.

- **Full 17.0" viewable screen**
- **1280x1024 optimum resolution**
Scalable resolution from VGA up to 1280x1024
- **260 nits of ultra-high brightness (typ)**
- **450:1 high contrast ratio (typ)**
- **AutoTune® function**
Automatically monitors video input and optimizes display settings without requiring user adjustments.
- **OnView® controls including ViewMatch® feature**
Customize image adjustments and color temperature via an on-screen menu using simple controls.
- **OSD/Power lock function**
When activated, the user-controlled OSD/ power lock function prevents changes to monitor settings, maintaining an optimized image.
- **Fold-up base for wall mounting**
The compact base folds up 90° for VESA®-compliant wall mounting, making conversion between desktop and wall mount applications easy.
