

ViewSonic®

VG170m LCD Display

- **Full 17.0" viewable screen**
- **1280x1024 optimum resolution**
Scalable resolution from VGA up to 1280x1024.
- **260 nits of ultra-high brightness (typ)**
- **450:1 high contrast ratio (typ)**
- **Bezel-integrated speakers**
The dual 2-watt built-in audio speakers save desk and workspace while offering superior sound quality.
- **AutoTune® Function**
Automatically monitors video input and optimizes display settings without requiring user adjustments.
- **OSD/Power lock function**
When activated, the user-controlled OSD/Power lock function prevents changes to monitor settings, maintaining an optimized image.
- **Fold-up base for wall mounting**
The compact base folds up 90° for VESA®-compliant wall mounting, making conversion between desktop and wall mount applications easy.

Performance meets value in the 17" VG170m LCD.

The ViewSonic VG170m multimedia LCD display offers good looks and great features. You'll immediately see bright, deep colors and clear text produced by its high brightness and a high contrast ratio. Dual bezel-integrated speakers bring multimedia to your desktop without utilizing valuable desktop real estate. And the base conveniently folds up 90°, making conversion between desktop and wall mount applications easy. With exceptional performance, reliability and outstanding service and support, the VG170m is the ideal choice for SOHO, corporate, education and government users.
